

Daniel Sigler's primary practice area includes toxic tort/environmental litigation involving exposure to various materials including asbestos, chemicals, silica and others, with an emphasis on premises and product liability. Daniel has successfully represented a variety of clients including premise owners, manufacturers, distributors, and subcontractors in multiple-party litigation and has handled hundreds of cases. He has been involved in several trials and has handled numerous mediations involving these types of claims.

INDUSTRY INVOLVEMENT

Professional Affiliations:

- Orange County Bar Association

BEYOND THE OFFICE

In his spare time, Daniel enjoys reading, going to the gym, boating in the summer and spending time with his three sons.
