

Katie Stricklin concentrates her practice in all aspects of complex civil litigation, including life sciences, product liability and general liability defense matters. Katie has been involved in the representation of a wide variety of clients, including manufacturers, suppliers, retailers, makers of medical devices, pharmaceutical and dietary/herbal supplements. She has experience with multiple-party litigation, and has participated in successful resolution of these types of claims through dispositive motions, mediations, settlement conferences and trial.

REPRESENTATIVE SUCCESSES

- *Various USDC cases in Hawaii v. USP Labs* – Dismissal of a product packager from a series of multi-plaintiff cases involving allegations of bodily injuries and death claimed to have been caused by ingestion of a dietary supplement.
- Defense judgment on behalf of a former chemical distribution company in an environmental contamination case venued in federal district court in California. Plaintiff alleged PCE contamination on a site in a redevelopment zone in Pomona.
- Defense verdict on behalf of a general contractor in a construction defect case where plaintiff sought millions for alleged deficiencies in his high-end Laguna Beach home.
- Dismissal of a generic pharmaceutical manufacturer in a personal injury product liability case where plaintiff alleged ingestion of prescription medication caused Stevens-Johnson Syndrome and Toxic Epidermal Necrolysis.
- Summary judgment granted in favor of an owner/developer of a large commercial retail center. Multi-plaintiff claims were based on alleged toxic exposure and damages in excess of \$1.6 million dollars.
- Dismissal of medical device manufacturer in a personal injury product liability case where plaintiff sought damages for permanent injuries to a minor allegedly resulting from a defective circumcision clamp.
- Dismissal of a medical device manufacturer in personal injury products liability and fraud action where plaintiff sought damages related to a spinal fusion procedure.
- Summary judgment granted in favor of medical device manufacturer in product liability action.
